

# Product Sheet

## RHYNO X/Z

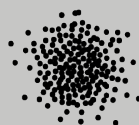

## RHYNO X/Z

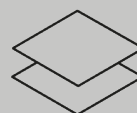

Self sharpening for a longer working life

Zirconium alumina  
mineral grain

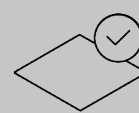

High stock removal and fast initial cutting  
action

Heavy duty

X cloth

Bonding

# Product Sheet

## RHYNO X/Z

### Features and Benefits

---

High strength resin bond

Minimal grit shedding

---

Polyester X cloth backing

Tear resistant

---

Zirconium mineral grain

Self sharpening for longer life

---

### Substrates

---

Hard Metal

---

Metal Burrs & Welding Seams

---

Metal

---

### Applications

---

Grinding

---

Cutting

---

Heavy Duty Sanding

---

Sanding / Preparation

---

Sanding

---

## Suited for

Automotive Refinishing

Industry & Manufacturing

### Available forms

BELTS

### Fastening

PLAIN

### Type

DRY
